**BORIS WOLFRAM**

Difficulty:

Home City: Kyiv
 Weight: 356 pounds
 Fighting Style: Brawling

Wolfram spent the better part of his life in the depths of Caucasian uranium mines. Transformed and toughened by radiation, the dreadnaught brawler is renowned for pounding his enemies to pulp before running them into the ground.

Power Capsule
Before drawing cards to refill your hand, you may discard 3 blue cards to flip this token to its B-side.

Powered by Radiation
In a round where you deal at least 1 damage, add 3 to the total.

Bo Staff
Your red cards have +3 Speed and deal +1 Damage.
When you play or discard Phoenix Strike, then at the end of the round remove it from the game and flip this token to its B-side.

Broken Staff
